Ideally located, they combine remarkable visibility with easy access to urban amenities, thus offering an ideal working environment in a district steeped in history.

The first lot, located on the ground floor, has a charming mezzanine on the patio side, creating a welcoming and versatile space. An internal staircase leads to the first floor premises, which has double access: to the interior patio and to the famous Place de la Victoire. This unique configuration offers great layout flexibility and optimal exposure.

The total Carrez surface area of the two lots amounts to 105.30 m². In addition, the two balconies of 8.50 m² and 18.11 m² increase the usable area to 131.91 m², providing appreciable outdoor space for a break or for outdoor meetings. The premises have been completely renovated, with particular attention paid to brightness and modern finishes, guaranteeing a work space that is both functional and aesthetically pleasing.

The location of these premises is ideal for liberal professions, thanks to their proximity to administrations, banks, the Pointe à Pitre judicial court and the sub-prefecture. This privileged location, combined with the
